Shesails was honoured with the price of the most experienced participant! A great honour when so many women worked hard to make this event even more special than last year!!!

sat 6 oct Farewell Turgtreis!

We will see you again.

And let's all try to broaden this lovely event by inviting other nationalities to come!!!

The professional photographers took so many pictures of our Cognac sailing and our team, that we made a small movie out of it, titled: [10 lessons learned](#). It takes 40 mb and 7 minutes, no music.
